A middle-aged divorcee's refrigerator's on the blink, so she calls a repair man. A young guy shows up, sets down his toolbox, and takes off his coat. He's wearing a sleeveless tee-shirt, he's very muscular and she can't take her eyes off of him. He starts working and he starts sweating and he's driving her crazy. She walks up behind him and starts rubbing his neck and his back. She starts grinding against him a little bit, and soon enough she's hugging him. Next thing you know they're making out and their clothes come off. He starts fucking her up against the wall, and they really get going. When he gets done, he backs up, and wipes his brow.

He looks over, and she's still standing there, wiggling and writhing and moaning, going "Ohh! Unhh!"

He says, "What's the matter, lady? Ain't you had enough? Ain't I any good?"

She says, "You were fine. Now will you please help me get this doorknob out of my ass?"

A little girl comes out of the bathroom and her mother's making a cake.

She says, "Mommy, can I lick the bowl?"

Her mother says, "Will you *flush* it like everybody else?"

What's the difference between a little kid and a lesbian?

*A little kid shouldn't run with scissors,
and a lesbian shouldn't scissor with the runs.*

A waiter brings a lady her clam chowder, and his thumb's hooked over the cup.

The lady says, "Waiter, your *thumb* is in my *soup*."

He says, "Yeah, I know. You see, I got the arthritis, and the heat makes it feel much better."

The lady says, "Well, why don't you just stick your thumb up your *ass*?"

He says, "Oh, I-I do that when I'm in the kitchen."

Polish car pool?
They meet at work.

What would you call a Mexican quarterback?
El Paso.

A guy who can fuck thirty girls in a row gets booked on *America's Got Talent*. The night of the show, they introduce him, the guy comes out on stage with thirty girls, and after he fucks twenty-eight of them, he fizzles out.

The producer runs out and says, "You son-of-a-bitch, you were supposed to fuck *all thirty* of those girls."

The guy says, "I don't know what happened, man. Everything went fine in dress rehearsal."

Why'd the coal miner's wife start to cry when he took off his pants?

An old Norwegian couple lives on a cove at the north end of a lake in North Dakota. It's early winter and the southern portion of the cove's frozen over.

Alex says, "Lena, please won't you walk across the frozen part of the cove to the General Store and get me some smokes and beer?"

She says, "Okay, but sure I will. Give me some money."

He says, "Nah, just put it on our tab. Old man Bachevich won't mind but at all."

Lena, a good wife, walks across the ice, gets the beer and the smokes and walks back home across the cove.

When she gets home she says, "Alex, you're always telling me not to run up the tab at Bachavich's. Why didn't you just give me some money?"

He says, "Well, what I was thinkin', Lena, was I didn't want to send you out there with cash when I wasn't sure how thick the ice was."

"Heeellppp!"

There's a scream from the bedroom, the husband runs in, and there's a guy jumping out of the window.

His wife says, "Whaa! That guy just fucked me twice!"

Her husband says, "Twice? Why didn't you call me in after he fucked you once?"

She says, "Because I thought it was you ... until he started for the second one."

Here we are in nineteen sixty-one. There's a teen-age girl who's got to have every record that comes out. Every single record that comes out, she's gotta have a copy.

One day, she's on the beach, and she hears on her radio (singing) "*Two lips, seven kisses ... two lips, seven kisses ...*"

Well, she's got to have this record. She goes to the nearest phone and dials the record store as fast as she can. She dials so fast that she accidentally dials *Ralph's Auto Body*.

A guy says, "Hello?"
She says, "Have you got *Two Lips And Seven Kisses?*"
The guy says, "No. I've got two balls and six inches."
She says, "Oh ... is that a new record?"
He says, "Nah. It's about average."

it's 2016.

... and I'm approaching 50.

Two out-of-work actors meet on the street.

The first actor says, "I just got a day job as a bathroom attendant and *man*, do I hate it. In the morning, the homos come in, and it's blow jobs in the stalls. The semen and the condoms are flying, it's disgusting. Then in the afternoon, the drunks come in, and they throw up, there's puke everywhere, it's *horrible*. I'll tell you, yesterday a guy came in at six o'clock and took a shit ... it was like a breath of fresh air."

What interrogation method do gay detectives use?
Good cock, bad cock.

Rosegarten says to his doctor, "Doc, you gotta help me. Every morning I wake up and fuck my wife. I car pool with the neighbor's wife, and on the way to work she gives me a blow job. At the office, whenever I go into the copy room, I bang one of the interns. At lunch, I take my secretary to a hotel and fuck her in her ass, because that's the way she likes it. During the afternoon coffee break, I fuck the boss's wife. Then I go home and the maid either sucks my cock or bends over so I can give it to her doggie style. And then at night, I fuck my wife again." The doctor says, "So what's your problem?" Rosegarten says, "It hurts when I jerk off."

Why didn't the pedicurist want to work on the African-American woman?
The pedicurist was black-toes intolerant.

Nelson is the American Wrestling Champion and he's in France to compete with the top French wrestler for the World Championship. His coach says, "Nelson, you're the best. You're great. But this French guy

has got this move called the pretzel hold, and it's deadly. If he gets you in the pretzel hold, you can forget it. But if you can stay away from him, I think we can win."

Nelson says, "I'll stay away from him, Coach. Don't worry, I'll stay away from him."

They get in the ring and the match starts. Twenty seconds later, the French guy gets Nelson in the pretzel hold.

The coach says, "Jesus Christ!"

He throws in the towel, and goes back to the locker room. A few minutes later there's a big cheer from the crowd. And then Nelson comes bouncing into the locker room.

Nelson says, "I *did* it! I'm the World Champion, Coach!"

The coach says, "Now, wait a minute, Nelson. I was out there, and I saw him get you in the pretzel hold. What do you mean, you're the champion?"

Nelson says, "Here's what happened, Coach. I got out there, and I tried to stay away from him. But right away, he got me in that damn pretzel hold ... I was wound around, and I didn't know what to do ... all of a sudden, I saw these two testicles hanging in front of my face. So ... *chomp!* ... "I bit 'em."

The coach says, "I still don't understand."

Nelson says, "You'd be surprised what you can do, Coach, when you bite your own balls."

The first guy says, "Damn, I sure would like to get my old lady that way."
The other guy says, "It's easy. Just give her two shots of Tequila and a few
beers. Then you can fuck her however you want."
Then next day they run into each other.
The first guy says, "It worked."
The other guy says, "You gave her the two shots?"

Her husband tries to lift her up but she won't budge. He pushes her shoulders back and forth, but it's like she's glued there. He goes next door and gets the neighbor, and then both of them pull like oxen, but she just won't budge.

The neighbor says, "Hey, I'll just go and get my hammer and we'll bust up the tiles up around her thighs. That'll break the suction and then we can lift her up."

The husband says, "That's a good idea. But first let me twist her nipples a little and get her aroused."

The neighbor says, "Why in hell would you do that?"

He says, "I want to get her lubed up so we can slide her into the kitchen where the tiles are cheaper."
