Hi [REDACTED]...hope you had a nice weekend...below is from Jeffrey's attorney...can you help with his questions for me...?

"What email address do you use for Leon Botstein? I want to include it in a consulting agreement with him. Is there a school one and a private one?"

Same question regarding his address for notices in the contract. I see he has a home address and a mailing address. Is the mailing address a school address while the home address is for private mail? Or does everything have to go through the mailing address?"

I have Leon's Bard email address only...not sure if he has a private one? I have Leon's home and school address below..., but let me know the answers to Darren's questions~ thanks, [REDACTED]
