**Subject:** Fwd: Google Drive Dangerously low on storage!

Hi Bella...I MUST get more storage for my Google Drive ASAP! I just purchased 1GB at \$1.99 per month on JE's Amex ...that card will expire 8/16...if you have a list of accounts that need to be updated with a new card come 8/16, can you add my Google Account to that list? I will also put in my reminders that Google Docs will need a new credit card...thanks

\$1.99 for 100GB is more than enough.

ok, I will upgrade! is 1GB at \$1.99 enough? or do I need to upgrade to the \$9.99 version?

From your desktop choose Finder > Empty Trash

But I'm pretty sure that won't affect Google Drive, so you're probably going to have to upgrade the storage on Google.

JEE is coming into this snowy mess??!!

HI James and happy snow day! My Google Drive says it is dangerously low on storage space...I read up a little ..I can empty my trash (which sounds so simple, but have not been able to figure out) or buy more space. thoughts? or help on emptying my trash? Will this give me enough? i am literally at 99% so need a fix quick...

thank you! Lesley (I will be in Wed to JE's house, but thinking I need help before this)
