Hi Bella...I MUST get more storage for my Google Drive ASAP! I just purchased 1GB at \$1.99 per month on JE's Amex ...that card will expire 8/16....if you have a list of accounts that need to be updated with a new card come 8/16, can you add my Google Account to that list? I will also put in my reminders that Google Docs will need a new credit card...thanks

\$1.99 for 100GB is more than enough.

But I'm pretty sure that won't affect Google Drive, so
you're probably
going to have to
upgrade the storage
on Google.
