Subject: Re: Naomi Campbell

Naomi has called back twice now saying she doesn't have any back up plan as she really thought from you this would work. Says she has booked the hotel and car and driver and mentioned something about Delon's mom ... Sh is wondering if the plane can't take you to where you are going then go back and get her to take her to where she needs to be. She is certainly fretting on this and hopes you will call her.
