Subject: Jeffrey Epstein-Passport Info Needed

Hello [REDACTED] Jeffrey's pilot, Larry Visoski who is cc'd here, needs your and your brother's passport information...might you be able to take a copy (picture) of the passport details and email over? Larry also needs your city of birth for you both for customs when leaving Bogota.

As soon as you can get it over would be great.

Thank you,

[REDACTED]
Assistant to Jeffrey Epstein
