Ehud is confirmed for 4pm this Friday...Nili has also sent the below...please advise:

1. yes - Friday 4 PM.
2. We shall go to Israel on January 19 at night and come back for a month on January 31 early morning.
3. another question. Our israeli security just called me from Israel. As they see that we stay longer periods, they would like to fix an alarm system that will operate while we are not in NY. we ask your permission. they say that the company is a reliable one. they are the ones that made the systems in our consulate in NY and in the consul and military attache home in NY. they are ready to explain and talk to you. The alarm device is a small modern one and should be near the entry door without cables or damaging the walls.
