Subject: Hi there! Brown bomber jacket

Hi [REDACTED] and Happy New year! Hope you are doing well! Gosh...it is starting to feel like a long time ago that you were around now.. [REDACTED] just showed me a cute brown leather bomber jacket with a tag on it (says Cheep Eez I think) She believes it might be yours!?! Do you recall buying a 'vintage' bomber jacket? It's cute!

Let me know

You still traveling the world!?
