Thanks, Lesley!!

I'm just back at the apartment and DID find a couple of rolls of TP in the cabinet above the toilet. Just now realizing...no hair dryer!! Haha!! Still no salt or olive oil, but I was out all evening.

Our little symposium here is going really well.

The renovation is super nice!

I expect to be up by 7:30 or 8 a.m. and out the door by 9, give or take on both Monday and Tuesday.

Thanks so much for everything!

Best,
