Subject: Margherita FYI..

Margherita is requesting we purchase her a ticket on Easy Jet from Rome to London on Jan. 26th around the same time as her real ticket to go to Miami...there are only 2 flights on Easy Jet on the 26th and only one matches up with the **direct flight** to Miami...
Easy Jet departs 10:50am

Alitalia departs 10:35am

So if we want to do as she is requesting, you would need to purchase the **direct flights at \$2784.76.**
Please advise...

(the less expensive connecting flight departs at 7:50am)
