Dear Lesley,
Happy New Year!! May it be more successful, joyful and fruitful than any previous year!:)
Lesley, I wanted to send a little package for Jeffrey in these days. Could you send me the exact address with zip code? I would appreciate that a lot! By the way, is Jeffrey in NY during this week? The parcel should arrive in 2days once it's been sent so I was just checking if I can send it in these days or I should wait for a little while?

Thank you!
Hugs,
