Subject: Marc Rowens plane for sale details

Dear Lesley:

I'm just in between flights at the moment. My assistant will send you current specs and photos shortly. In the meantime, you can access the same information on my website at www.hagertyjetgroup.com under G450 s/n 4141. The airplane has just under 2,700 hours and 912 hours. It's shows in immaculate condition and is based in Teterboro.

We're about to announce a price reduction to \$18.95M at the end of this month.

Please don't hesitate to call with questions.

Sincerely,

James
