Ok Kathy is all set. She will fly from Geneva to JFK tomorrow still in first and only for \$450 more (I was being told \$3600 more at first).

Re the girls. Flight you found only had one seat. The best option for flights is the United #64 at 12:30 arriving Denver at 1:24 (fully refundable \$1120 each). They can still make their 3:50pm flight we have already paid for.

There is also a 4:10pm flight through Chicago arriving LGA at 11:29 for \$840.70 each but Chicago airport has been a mess and people were stranded there the other day. (Plus it is a short layover time and just scary option)

There is a red eye from aspen departing 6:51pm arrive San Fran 8:15pm. Depart SF at 10:35pm arrive Newark 6:50am \$1100 each. But the girls have been in aspen since December 26th and must check out of hotel at 11am and I am thinking probably want to get home?

Or they can take the car from aspen to Denver for the \$984.

I purchased the fully refundable tickets from aspen to Denver on United at 12:30 at \$1120 each. I can always call and cancel if you prefer the private car or one of the other options above. Please advise. Keep ticket I purchased?

None available. I tried. We would need to book way in advance for that. So they are out of Denver.

[REDACTED] are asking if they could possibly get a private car to the airport from aspen vs the shuttle they are currently booked on. The private car could cost around \$984 including tax and tip. Please advise if you wish me to book them a private car. (They would still have to leave around 9/10 am for their flight)
