Dear Lesley,

Jeffrey asked me to reach out to Helen Fisher re dinner tonight. In case Jeffrey does not get my message in time, could you please inquire with him/please tell Helen Fisher if the dinner with Woody Allen is still on for tonight?

I wont be there (I am not invited), and it appears my initial message got lost.

Thank you,
with kind regards,

Joscha

HI Joscha, I just saw your email. Lovely to hear from you.

Yes, I would love to join folks tonight for a dinner. But should I call Jeffrey? I

don't know if that's really the right thing...to call to invite myself somewhere?

Do you really think I should do that? I'd love to come. But I'm a bit shy about calling to accept an invitation I haven't received. What say you???

And will you be there???

See you soon, I hope. Love, H

Dear Helen,

I am not sure if you got my previous email, because there might have been troubles with my account, so I repeat it:

Lots of love, insight and wonder for 2016!!! How are you these days?

Jeffrey Epstein just told me that he plans a dinner with Woody Allen on Wednesday (today) night, and wonders if you would like to join him! I found the conversations at his place always very inspiring, and it would be great if you could come.

(As you probably know, Jeffrey lives next to your place, at 9 East 71st, and can be reached at [REDACTED])

Love,

Joscha

Hi there, Joscha, lovely to hear from you. Alas, I won't be in New York tomorrow, Wednesday. So I didn't accept the invitation to the DLD cocktail party. I am sorry to miss seeing you. Very happy autumn to you, kiddo. And I hope things are going very well for you. Helen

ps: Your ideas below are fascinating. I don't know anything about the transcendental qualities of love! But I'm sure we could put something together on this. Hopefully some other time. Love, H

Dear Helen,

How are you? Are you planning to attend the DLD cocktail on Wednesday? I will be in NYC, and would love to chat if you find the time. I have some ideas/questions on how to conceptualize the transcendental aspect of love, and for understanding the nerd/neurotypicality divide in communication strategies, which may be a relevant predictor for relationship success.

Cheers,

Joscha
