Thanks for everything.
We leave tonight, as scheduled. Sorry for misunderstanding.
We will be back on 2.2 - we delayed for 2 days.

hi Lesley,

There is a problem with the heating in the bedroom. It is 58 F and we cover with 4 blanket :(the kitchen and living rooms are OK.

Andrew is not available. I have told Tess last time and she promised to tell maintenance.

Can you please ask somebody to look into it? We are still in the apartment today all day, so it can be done.

They are arranging the alarm today. I shall be in touch with you when they finish.

have a good day,

thanks
