Subject: Michelle in Barbara Goldman's office

Hi Lesley,

Mrs. Goldman wanted me to tell you that Juan Overton actually works for the Gores. It used to be a permanent position but now it has become more of a par time/on call basis while he is also working for other clients.

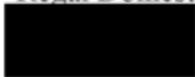

We did not include this information on Juan's resume but Mrs. Goldman thought Mr. Epstein should know about it.

Juan is also willing to come in for a personal interview and cooking trial.

Thanks,

Michelle
