Hi, Lesley.

I will try to do my best but the merchant is not that brilliant at keeping us up-to-date so please be aware that the delivery van could turn up anytime! Sorry about that but, hopefully, when it does it will be a mutually-convenient time for you both.

Please drop me a line once it's arrived so that I can let Eduardo know.

Thanks for all your help.

Karen

When you find out when the delivery should take place let me know and I will tell the house to keep an eye out for it!

Hi, Lesley.

That's great... I will let the merchant know. Not sure though whether the wine will be delivered before the week commencing 11th January.

Thanks again and all the best.

Hello Karen and Happy New Year! You have correct address. Nothing changed? I wonder if they came when the house was closed up for holiday!?

9 East 71st street

New York, NY 10021

We are back at the house now so you could try again. Lesley

Hi, Lesley.

Happy new year to you and I hope all is well?

Could I please ask you for Mr. Epstein's new address because our wine merchant tried to deliver some wine to the place at 9 East 71st Street but it came back as undeliverable.

Thank you very much in advance and look forward to hearing from you.

Kind regards,

Karen
