Ok, I can go to Costco and buy the items no problem...what do you think is an OK amount to ask for? or do we leave it up to the family? everyone could donate to me at this weekends games...then I can go during week to buy items and then host on the Sat. 16th...

We need to know if we are packing in paper bags or do we need shipping boxes...I would think the lighter the better...once you find out let me know! We could even use bags from the grocery store maybe (paper ones)?

I don't think I can send an email to all from the ones you have been sending...or else I would!) Brian, do we ask people to buy in bulk some of the items on the list and then do we pack in boxes and label? or how does it work? Sorry, I'm not exactly clear...

I wanted to revisit the idea of having our basketball boys putting together and sending care packages to the troops...i know it is in February but wanted to get going on it now...can you send me the specifics (or maybe they are the same as they were in Dec.?)
