Hi Les-lie:

Well one week until Christmas and I have one \$20 gift exchange purchased for my coworker Christmas Party and that is it.

I don't know what I'm thinking but I guess a 7:00am mall visit will be required this weekend.

I love this time of year but I am not ready in the least with the gift department.

Anyway thank you for your home address again, I recall that address from years ago. ;) Ours is

[REDACTED]

We bought a little casita 2 years ago, heehee tiny buy we love it. small little single level 3 bed 2 bath with a pool, we loved using it this past summer.

Okay so let's connect again just after new years! We are going to Dallas. Will be there for the Cotton bowl and the game Sunday, even though it's been a terrible year. Then off to my home away from home in NYC.

I will think Tuesday but we will firm it up later.

Have a great day and week. Merry Christmas and Happy New Year just in case love!!

Bye for now.

[REDACTED]

PS too funny about the soles of our shoes, actually very funny. lol!

Best Regards,

[REDACTED] I will put in my calendar Mon. 18th and Tues. 19th for your availability and

we can check in as the dates approach...Yes, I get to work from home now whenever JE is not in town,...and I so LOVE and appreciate it! I think the office is closed on MLK day so probably Tues. 19th is best ...but lets see!!

VERY happy you have a nice room with an upgrade in your old stomping ground! I swear I was just thinking of you yesterday ...you probably don't even remember this, but I recall one day you came into the office and were talking about your walk to work and how awful your shoes were...you could feel every little rock in the streets and sidewalks cause the sole of your shoes were thin...of course you were being totally hilarious and I don't remember exact wording but now when I wear thin soled shoes, I always think about this funny conversation! (and I was totally recalling this yesterday as I walked around NY and felt every tiny spec of dirt I stepped on!)

Love that we have connected again too! Can you send me your current address and cell number while we are at it? Mine is below:

Thanks! Les-lie

Good morning Les-lie:

Thank you for getting back to me. I appreciate you looking into it. No worries.

We are booked at the [REDACTED] my old neighborhood. and I love that hotel, haha.

I have a relationship with them there and we have a great studio rate but even better with a free upgrade to a one bedroom suite. All is set and I am thrilled.

We recorded the Patriots game and saw that the kids weren't televised. bummer that would have been sooo cool to see him. How awesome for [REDACTED] for his personal best, truly great!

So as far as catching up in person over drinks, YES!!!!

Monday the 18th is MLK day, not sure if you work that day or even come into the city anymore but Monday the 18th or Tuesday the 19th would most likely be the days, maybe we can happy hour.

Let me know as we get a little closer and I will certainly be in touch again.

I already love the reconnect, again almost like no time in between since we last saw each other!

I have always enjoyed spending time with my Les-lie!

Have a great day love and we will see each other soon i hope. xo

Cinamons (hope you can smell the love)!

Best Regards,

Hi [REDACTED]..sorry it took me awhile to get back with you...I am afraid an apartment is not available for your trip...we have 3 apartments with long term guests, one under construction and the other is taken for your dates...so sorry... :(

I would love love to have several drinks with you while you are here if it can work out!! Miss you in this job and it would be great to catch up again...

we had a super time at the Patriots game and competition...[REDACTED] had a personal best but it afforded him 2nd place (not 1st which of course he was hoping to receive!) They did not televise any of the competition or when the kids were on the field receiving their awards...but that is ok...it was all great memory making!

Take care and keep in touch!! Love, Les-lie!

Hi Les-Ley!
So happy to hear your great spirit through the email and the confirmation that you are GREAT! yay
I did figure so.

Fabulous [REDACTED] coming our way! Are you planning to do anything special?

I for sure will be watching football, every game it seems with the NFL package on TV that [REDACTED] must have lol.
I am excited now to watch Sunday Patriot's game. I would be so thrilled to see [REDACTED]! I hope they televise it!!

I have two cats now (brother and sister) but not like my precious [REDACTED] that you knew.
I will always have to have a kitty cat to love on.

I always think about you and too often fantasize about how it would be if I still worked there.
It still is my most favorite job of my career. I know it's crazy but true. ;) The job I have now is great plus my [REDACTED] is great too but maybe it's too plain, lol.

If the apartment works out that would be just terrific as it would leave me with more spending money while there!!
Or course, however I completely understand if it doesn't work out for whatever reason.
Thanks for making me feel comfortable to ask you again when I next visit too. heehee
I must have a drink (or two) oh screw it-let's say drinks with you while there regardless of where I stay!

Hi to Jeffrey and my best always. i just told [REDACTED] we were coming this morning and she started to cry.

Ok Les-lie (only cause that's how I pronounce it) let me know.

BIG HUG and the normal xoxoxoxs too.

Love,
[REDACTED]

Cinamons!! I am GREAT!!! How are YOU?! I do think of you often!! Miss you...gosh , what would it have been like if you were still here in this organization!? I would love it...

My bday is Oct. 14 and yuk, I turned [REDACTED]...we are the SAME age...and I will be [REDACTED] before you...yuk again...but it is what it is!

Ty will be 11 Dec. 16 and he is almost as big as me! He is doing well (5th grade, which is middle school in our town!) Loving sports...hating homework...loving the ipad and video games...the usual boy stuff. [REDACTED] made the championship team for the NFL Punt Pass Kick contest and will compete this Sunday at the Patriots game against the Eagles...they may have some highlights and they introduce the kids at half-time but I don't think they televise it..but maybe they do in case you are watching the game this Sunday!

You must ALWAYS ask for an apartment! I will ask Jeffrey and see if one is available (which it should be I would think!) Would so love to see you if it were possible...how nice that you keep in touch with [REDACTED]..I do hope she is well and enjoying life...Let me get back to you on the apartmnet!

Now, I thought of you just the other day when [REDACTED] and I were watching America's Funniest Video's ...there was a fluffy adorable white cat in one of the videos that was so adorable and I thought of you and your love for you cat ! I'll see if I can find that video and email to you.. [REDACTED] and I were totally laughing...

OK, I will get back to you about Jan. 15-20! Love, Les-ley!

I forget are you younger than me?
I think so and I turn [REDACTED] next year. (hum)

I hope this email finds you and Ike and your little man very well.
How old is he now?? (sorry your son's name has slipped my mind)
sorry.

Listen I thought I would reach out to you before I plan my next NY
trip!! ;)

 daughter's bat mitzvah is in January.
and I are thinking about going out Jan 15-20.

I'm curious to know the apartment schedule, if there is still such a
thing.

If not no worries, or if you think its out of line for me to ask about
staying there. (if so don't ask and no bother at all!)

I would love to see you during our time there so hopefully you will be
in the city.

Fill me in on everything when you have a moment.

Bye for now Les-lie! have a wonderful day.

please send me a current family photo. xo

Thank you. :)
