Subject: Car for tomorrow :)

HI [REDACTED]...I understand the Carsco people reached you (I was actually on hold with them as they called you) and you should be all set...so you know, we have hired them to pick you up tomorrow from the address you are going to today (the [REDACTED]) at 3:30pm...they will take you to Teterboro Airport, Meridean FBO...

You should receive the confirmation shortly from them!

Thanks, Lesley
