Hi [REDACTED]
As I told you, we are going back to Israel tonight.
Any packages that will come, please keep them for me - I suppose the lobby now knows.

There is a slight problem with the TV. It is working but on HDMI4 - the wrong entry, so we cannot watch. Can you please call somebody to fix it while we are away (but there ought to be someone with the technician in the apartment).
Thanks.

Returning on December 25.
Have a great holiday,
Nili
