Morning Ion...what you sent is just the page to book a flight (no specific details came over)...but anyway, I booked you a flight last night...just waiting for the confirm...it gets you in before 3pm on the 22nd...I think it will be good for you...I'll be in touch...

Also, I will book you Carsco to pick you up Sunday and take you to the apartments...and same with Monday back to JFK...I'll be in touch.

You will have to change your own flight you are currently holding but I am happy to get you a ticket from STT to NY Sunday. You will need an apt for the night and can go back to 8A! The code is 20161.
