Sorry, I missed the part that you are cancelling the whole thing. I was trying to talk to them about my first modification. Will call hotel tomorrow morning, will try to talk to the hotel manager. Is he planning to go there someday in the future?

Good. Thanks. He wound up cancelling the whole trip. I'm sure you saw I called the Hotel myself and asked for a no charge for first night and they would not do it. Hope you have better luck.

I received from the hotel, that there is a charge for modification I made. I received it on December 25. I am trying to argue, due to my system did let me change it without any notification about the charge (and I should get notification). In the past (also with Mandarin Properties), if I can make modification (it was not technically cancellation) in the system and not notice of charge, we are good. I emailed hotel, waiting for replay.
