Hi Jeffrey...just wanted you to know the sentiment from all your friends re a 'short essay on sharing a meal with you' so we could put together a nice gift for you for your birthday started out with great enthusiasm...everyone said they would participate...however I have only rec'd 4 letters and this is after asking people another 2 times if they could help out...I'm not sure if you would like me to continue requesting this of them? We have rec'd letters from Woody Allen, Ehud, Mort Zuckerman and Noam Chomsky...Joi Ito, Martin Nowak, David Gergen and Kathy Ruemmler have all said they really wanted to get working on the project, but I am yet to receive anything...nothing really more from Caroline Lang, Leon Black, Lawrence Krauss, Terje

Please advise if I should continue to gently nudge... :)
