Yes thank u so much

I was going to email you as soon as i got into the office

Over the weekend the photographer Francis Amiand emailed me to ask if he could go there a bit earlier as the day is so short and i called monsieur Valsdon to ask if i could put them in touch with each other and he said that would be fine and that anytime would be ok with him

I assume francis wanted to get there around 9

We will be coming straight from the airport and hope not to be delayed

I will be in touch if anything changes and do let me know any special instructions
