Hi!

Do you know if Jeffrey wants to schedule time with me this week?

I'll have his new laptop and iPad setup for him, but I'm expecting he may have questions about them??

HELLOOOOOO! Jeffrey is expected wed morning to NY. He will stay until Saturday.

Also, we will need to schedule you to set everything up for [REDACTED] soon. He wants to order her another Apple TV for Washington!

Darren has me setting up multiple laptops for Jeffrey. Can you tell me when he's arriving?

It affects the process of setting up his machines and how much time I need to allot for it. (And what day I reserve for him to summon me.)

Thank you!
