Dear Lesley,

I wrote several messages to [REDACTED], but perhaps, she was not the right person to help me for what I needed.

You will find included these messages, in french and english.

There is an invoice for the expenses I had to come and see you in New-York, my question with an answer I need about the Paris project and the armchairs Jeffrey wanted to do in the dining room.

My very actual problem, which is to find room in my workshop with your three sofas Ariane de Rothschild bought for you but I am still waiting to know if you do them or not. And if not, can you ship them to Avenue Foch ? I can do it and will send you the invoice if you prefer.

My banking account for the different payments I am waiting for, invoice and deposits.

Of course, I can give you any more information you need.

With my best regards.

Rémy

Could you just give some news ?

With my best regards

Dear [REDACTED],  
I sent you an mail last November 2sd but didn't have any answer about the point of the  
transfer for the payment of my invoice, neither about the point of the work we  
have to do on the armchairs of the Paris Dining Room.

As you know, we have several big sofas in here, bought by Ariane for you, and we need  
room for the next week.  
So, if you are not going to do them, just tell me and I will see until next friday with Ariane  
what we do with them.

Could you please tell me what is going on ?

With my best regards

Rémy

Dear [REDACTED],  
I am actually working with my team on what we could propose to Jeffrey for the library  
and the dining room in New-York. I am also looking for the most softer velvet  
you can imagine.

As you know, we have a project about the appartement in Paris and you asked me to wait  
a bit for taking a decision.

We have several sofas bought by Ariane de Rothschild and delivered in our workshop, and  
they take up to much space to keep them for a long time.  
Please tell me if we can begin the work or tell what we have to do with these sofas.

We also gave a solution to re-upholsterer and make more comfortable the dining room armchairs with the fabric and embroidered trimmings Ariane choosed.

Could you tell me what is going on with these projects.

Please also find included the invoice for my trip in october and our banking references for your transfer.

With my best regards.
