No worries. Just left you a message. You are correct but I just want to check one thing when I get to the office (around noon as I am in school this am)

Hi Larry...I'm so sorry to always bother you with a Day Count question, but I want to make sure I am correct when I am counting Jeffrey's Abroad days...Jeffrey left from NY to Paris on Nov. 7 and returned to LSJ from Paris on Nov. 13...that is 5 abroad days (Nov. 8-12)? Nov. 7 is a NY day and Nov. 13 is a LSJ Day, correct? I have the below information from you and want to make sure I saved it correctly:

*A Day is always considered US even if JE is traveling abroad the same day or coming from abroad back to the US ....If he is in the US for a minute, it is a US day UNLESS he is going to/from the island and flying to/from Abroad ...then it is a VI Day!*

Thank you!!! [REDACTED]
