Hi ████████
No worries. Just left you a message. You are correct but I just
want to check one thing when I get to the office (around noon
as I am in school this am)

Hi Larry…I'm so sorry to always bother you with a Day Count question, but I want to make sure I am correct when I am counting Jeffrey's Abroad days…Jeffrey left from NY to Paris on Nov. 7 and returned to LSJ from Paris on Nov. 13…that is 5 abroad days (Nov. 8-12)? Nov. 7 is a NY day and Nov. 13 is a LSJ Day, correct? I have the below information from you and want to make sure I saved it correctly:

A Day is always considered US even if JE is traveling abroad the same day or coming from abroad back to the US ….If he is in the US for a minute, it is a US day UNLESS he is going to/from the island and flying to/from Abroad …then it is a VI Day!

Thank you!!! ██████████
