I should have responded with some Tremendously difficult dessert to make like creme brûlée (and bring your own torch) or chocolate soufflé!! And make everyone "order up" before serving dinner! Actually Ike just said he loves your berry crumble you make for your crawfish party! But really anything is good! Do NOT bring me a gift!!! Not necessary!!!!!! Just you and dessert!! And Jason!

HI Lotten...I sent an email out to all from my hotmail earlier today, but I don't think you have seen it as of yet...everyone was so nice to offer something to bring ! I am taking up all! It appears 2 people are bringing apps, Nicole a salad and one person dessert...we probably could use one more dessert? :)
