Good morning Andrew and James. Jeffrey has informed me he would like to have a conference call with you today and not an actual face to face. Instead of coming to his home could we get you both to call him at 3pm?

And I will connect you.
Ok for you? [REDACTED]

Hi Jeffrey,

Deal flow for Valar Fund II has been great, we have some exciting companies already in the fund and are going to close on our largest investment in the next couple of weeks. If you are up for it, we'd love to update you on the Fund's progress so far and how we see things playing out in the near and mid-term.

Best,

Andrew
