Probably ok to ship a printer to her home. (?) signature not required? But I'm not sure about a TV or other products. I liked James idea of having Best Buy deliver and install same day. Will need to be a weekend I'm sure

Hi [REDACTED]

My home address in DC is:

[REDACTED]
Bethesda, MD 20816

It is fine to ship things there, but the only issue is that if there is signature required, then no one is there to sign if I am not home. That said, I have stuff delivered there all the time and they leave it on the porch. I can have my neighbor bring it in if I am out of town.

K.

Hi Kathy...what is your home address in DC...do you think this is where you will want items delivered? Rich is wanting get this (or at least some) of the order placed but he must have an address to drop ship to!
