Valeria reassured me they most definitely want to spend time with you on the 5th! She is just waiting to hear back on the timing of a previous engagement but believes it will be in the evening so they could see you early afternoon (like 1-3/4pm or 2-4/5pm) She says Noam has been writing lots of articles and it is just keeping them busy, but they for sure enjoy their time with you and look forward to it (but can't commit to the 3/4 hours...2 or so will be perfect)

This being said, I will now cancel the Neri Oxman appt on the 4th in Cambridge (Neri is to fly to NY on 4th for a dinner) I will see if she will be back in Cambridge on 5th...

I will also follow up with Danny Hillis, Martin ...anyone else?
