Probably ok to ship a printer to her home. (?) signature not required?
But I'm not sure about a TV or other products. I liked James idea of
having Best Buy deliver and install same day. Will need to be a
weekend I'm sure

Hi Lesley,

My home address in DC is:

[REDACTED]

It is fine to ship things there, but the only issue is that if there is signature required, then no one is there to sign if I am not home. That said, I have stuff delivered there all the time and they leave it on the porch. I can have my neighbor bring it in if I am out of town.
