No problem on creating the account. If she has an iPhone she likely already has one, but I'll figure that out with her. Is the TV here or in DC?

I've no problem going to DC, but I have AM appointments Wed, Thurs & Friday this week. Thursday @ 10 is setting up Darren's new printer, which should be quick — maybe get the train immediately after? (I've only taken the train / bus to DC, if flying saves time...)

We should loop Rich in on travel, he'll want to negotiate the billing rate, etc.
