Hi [REDACTED],
Hope you had a nice Thanksgiving holiday. Danny's back in Boston now, so had a chance to sync up with him about Saturday. He's a "go" for either 1 or 2pmET.
Lemme know your preference.
Cheers, Alice

Okay, I'll tentatively hold 1 or 2pmET, and wait to hear back from you. Will also circle back once I hear from Danny (traveling remotely now).

How about 11:30-12:30 on Dec. 4th at Martin's institute...then he has 30 minutes to get to his 1pm?

Hi [REDACTED],

Hope all is well! Danny's traveling remotely today, so let me respond. Looks like he'll be in Cambridge on Friday, Dec. 4th, but has some firm customer meetings that day from 1-3pmET. What timing do you have in mind - perhaps something before/after that?

Also, apologies for the late notice, but I'd also like to give you our updated contact/email addresses below for the new company, Applied Invention (see below).

Cheers, Alice
