Hi [REDACTED]

I spoke with Mr. Rabsatt a few minutes ago. He will head to the tower in a 1/2 hour to check everything and get us back online. I should have the Internet back up by the end of the day today.

Tell Bossman not to worry he can come home :). I'm on it...

Hi ann and jermaine...Jeffrey is considering going to the island tomorrow...but says there is an issue with internet? Can this be rectified? or what do you know at the moment?

Thanks, [REDACTED]
