Ok Julia went down to front and found the letters herself on the doormans desk?? And she says the guests have been in apt for awhile now. Please if they need anything, pass along her cell number to them: [REDACTED]

Thanks. Lesley

Hi Lesley,

The guests are at the apartment and apparently the doorman does not have the letter. I gave them the codes and all of the information but I am told her needs the letter. I am not sure aht information he needs but is there anyway you could let him know? I guess they are waiting for the super? I am not sure why.

Thanks!

Eva is going to send Lulu over to the biggest apartment on wed morning, which I think is 7j, am I correct..? She's going to put some fruit and water etc in the apartment and a welcome note. Is that okay with you guys?

Yes! We have 7J and 11B both set aside. The doors have codes not keys...the doorman will have a letter with these codes printed on them. The letters are already addressed to: 7J Anita and Dan Andreasson and 11B Inger Andreasson. The codes, so you have them are:

7J : 13579

11B : 61201

Hi Lesley,

Eva wanted me to follow up with you just to remind that they are taking both apartments on wed. Please put both keys with the doorman under "Anita".

Thanks!
