Thank you Brianna. Greatly appreciate this. Might it be possible for Jeffrey to come see Dr. Rawlins at 10:30 or 11am tomorrow?

So sorry to have to ask! Please do let me know if possible. Thank you, [REDACTED]

Good morning,

I have attached a questionnaire to this email for the patient to **please complete prior to his appointment and bring with him** to his consultation with Dr. Rawlins on October 27, 2015 at 9:15A along with any relevant radiology imaging and reports related to his spinal issue.

I do need to know the following information prior to the appointment:

- Leg or arm pain? How long?
- Injections? How many?
- Pain medication the patient is taking and if he is pain management.

We are located at 523 East 72nd Street on the 2nd Floor in-between York Avenue and the East River.

Thank you,
