Subject: Jeffrey Epstein

Good morning Michael. Hope you are well. Geoffrey is asking if you could do him a favor. Could you have someone from New York Magazine call Christopher Anderson the photographer and let him know that the article has been killed?. Jeffrey would like to now own the photos that he paid for but Christopher will not release them until he is told directly from the magazine. Christopher's cell number is [REDACTED]. Please let me know of possible. Thanks, Lesley
