Really...wow...OK...I have not organized any meetings for him...I know he has a huge list of People To See in Paris...but I have only actually planned one lunch and it is not until Nov. 8th!...

Unfortunately, re apartments, we only have 8A available! one of you could stay there..I would need to have cleaned on Thurs. Nov. 5 for Ion Nicola who is coming to stay there on Friday....let me know if you want to take 8A...
