Subject: check bathroom items...

[REDACTED], [REDACTED] says you should double check the bathroom items in 7J and 11B...there are things missing..

also, so you know, [REDACTED] wound up very ill and went to the hospital last night...she is still there now...we will contact her next week to see how she is feeling and see if she can continue to clean apartments...but she will not clean 11B this friday...we will circle back to it next week.
