that is an early departure!
Jeffrey is at a meeting out of the house now...he should be back close to 4pm I think...

Jeffrey,
spoke to Universal regarding forecast for Paris.
improvement scheduled for Paris tomorrow afternoon, today at 7pm in Le Bourget vis 3.73 miles with 600' broken ceiling,.
afternoon tomorrow from 2pm until 6pm forecast 900' broken ceiling to 1000 overcast with visibility 4 to 6 miles.
tomorrow evening starting 8pm with only a 30% of ceiling is forecast to be 600' broken and 2 mile vis, mostly forecasting a 900' ceiling with Visibility at 3000m

Sunset in Paris 5:27pm tomorrow, I'd like to arrive in Paris approx. 5pm to 5:30pm latest, if that works for you,.
'this would mean wheels up at 4:45am tomorrow, I'm fine with LeBourget airport arrival,

should I set up for 4:45am departure?

thanks,
Larry
