Subject: Dr. Fisch-you need ultrasound, blood work TODAY

Dr. Fisch's office called asking if you could please come back in for an ultrasound today as well as have blood work done. The ultra sound is in their office and needs to be done between 1-3pm...I was told the blood work can be done down the block from them. Madelon has the script for the blood work and can give it to you when you come in for the ultrasound. Should we cancel Dangene at 2pm and you go for ultrasound at 2? then you can go on to do the blood work
