Subject: Carsco FYI (Confirm #149290 & 149389)

Bella, you will see a Carsco invoice for Janusz TWICE! this is because he was supposed to go home yesterday with [REDACTED] but he had to stay cause JE stayed. Louella had to get home for her husbands surgery today. I had booked the car yesterday under Janusz's name and did not change it...I have booked a car for Janusz tomorrow under his name also...BOTH rides are valid and we need to pay for them...thanks
