Hi Joscha...great that you will be around for Nov. 14th..
we DO have an apt available for you to stay the night of Nov. 5th.
Unfortunately, it does not look like Jeffrey will be in NY Nov. 5/6, but if
something changes we will let you know.

Would it be possible to stay in the apartment, please? I would probably arrive
late in the evening and leave on the next day (Nov 6th) around 9am. (If Jeffrey
is in NYC and wants to see me, I could come over Thursday morning, too.)

14th...Might you be around and available to meet with Jeffrey and others this day
at Martin's institute?
