A man who may(?) be interesting to J. is Francois Taddei

<http://cri-paris.org/team/francois-taddei/>

who is a biologist who worked on aging of bacteria and who created a new style graduate education school in Paris.
=====

I leave for Paris tomorrow night and come back Nov 12, (I have my lecture Nov 13)

Hello Misha...Jeffrey plans to be in Paris Nov. 3-12...he is asking if there might be anyone interesting there you think he should meet. Also, will you be in Paris during this time? I know he wants to see you as well...

Thank you,
