ah ,, that's really scary!
take care,,
Eileen got violently last week,, vomit all night long,, either stomach virus,, or a lot of EColi going around according to the news,, scary stuff,, she is much better now,, she was actually in Tallahassee visiting her sister when it happen to make things worse,, nothing's worse than being that sick, and not being home,,

Jeffrey told me [REDACTED] is in the hospital and that is really the whole reason for going...because of this I don't think he will go! BUT, he has not told me he is not going... we will keep all guessing I guess!

Hi [REDACTED]
I spoke to [REDACTED] she said JE called her earlier today,, sounds like he'll go to Isj later this week, is a hunch,, I think he's looking for any reason not to go to paris,, only a guess,, just sharing what I heard... you got any thing??

thx
