You will see Dr. Rawlins at 12:30 tomorrow (knowing this is a double booked **appointment** and you will have to wait) I have filled out the **questionnaire** as much as I can ...you must fill out the rest. We need answers to the 3 below questions before you go to the appt:

I have attached a questionnaire to this email for the patient to **please complete prior to his appointment and bring with him** to his consultation with Dr. Rawlins on October 27, 2015 at 9:15A along with any relevant radiology imaging and reports related to his spinal issue.

I do need to know the following information prior to the appointment:

- Leg or arm pain? How long?
- Injections? How many?
- Pain medication the patient is taking and if he is pain management.

We are located at 523 East 72nd Street on the 2nd Floor in-between York Avenue and the East River.

Thank you,
