Subject: Train from London to Paris-question

OK, for return from London to Paris- here are my thoughts. Flight departs at 7:10 pm for [REDACTED] on 22nd, [REDACTED] has to be there 3 hours prior at 310pm, So 1 hour to get from the train station to the airport by taxi, so you have to arrive to Paris Nord station by 3pm, 2 options to depart:

10:24AM London St-Pancras 1:47PM Paris Nord 2hr23min [Eurostar 9018](#)

and

11:31AM London St-Pancras 2:47PM Paris Nord 2hr16min

I think you should be fine with the 11:31 return on train given your comfort level with traveling. Please let me know what you prefer.
